

Registration for the Research Internship in Materials Chemistry (CH3272)

For the registration to the Research Internship in Materials Chemistry, please send the completed form via email to sekretariat.faessler@ch.tum.de, with yulia.kuznetsova@tum.de in cc, before the beginning of the laboratory work.

Personal Information

Student Name

Student ID Number (Matrikelnummer)

Degree Program

Semester

E-Mail Address

Research Internship Information

Title of the Project (preliminary)

Supervising Research Group

Supervisor

Start of Internship

End of Internship

Does the project involve synthetic work?	Yes	No
--	-----	----

Does the project involve quantum-chemical calculations?	Yes	No
---	-----	----

Planned Analytical Methods

Short Project Description

Declaration

I hereby register bindingly for the Research Internship in Materials Chemistry (CH3272). I confirm that I have read and understood the requirements and regulations of the internship.
